(e) Messrs Shim Pang & Co

Datuk Simon Shim Kong Yip is a non-independent non-executive deputy chairman of the Company, he is deemed interested in the Recurrent Transactions by virtue of his interest as a managing partner of Messrs Shim Pang & Co.

2.4 *Rationale for the Recurrent Related Party Transactions*

The Recurrent Related Party Transactions which are to be entered into by the HSP Group are in the ordinary course of its business. The Recurrent Related Party Transactions are conducted at arm’s length, on normal commercial terms which are not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders. It is envisaged that in the ordinary course of the business of HSP Group, the transactions between companies in the HSP Group and the Related Parties are likely to occur with certain degree of frequency and it may be impractical to make the requisite announcement to the Bursa Securities or to seek shareholders’ approval on a case-to-case basis before entering into such Recurrent Related Party Transactions.

With the Proposed Shareholders’ Mandate in place, the Company would not be required to make the requisite announcement to the Bursa Securities or to convene separate general meetings to seek shareholders’ approval as and when the Recurrent Related Party Transactions occur. This would substantially reduce administrative time, inconvenience and expenses associated with the release of such announcements or the convening of such meetings on an ad-hoc basis, and allow manpower resources and time to be channeled towards attaining corporate objectives.

Hence, the Board is seeking approval from the shareholders on the Proposed Shareholders’ Mandate for the respective Recurrent Related Party Transactions as described in section 2.2 above.

2.5 *Benefits of the Recurrent Related Party Transactions*

Generally, the Recurrent Related Party Transactions provide the HSP Group with an effective network of support to its operational needs which will enhance the overall business efficacy and effectiveness of the HSP Group. The support and close working relationships between the HSP Group and the Related Parties allow the HSP Group to be more competitive in their core businesses. This is largely contributed by the familiarity and experience of the Related Parties in the requirements of the HSP Group’s operations as they have been reliable suppliers, customers, business associates and/or advisers for many years.

2.6 *Methods or procedures for determining prices of Recurrent Related Party Transactions*

Generally, the prices, terms and conditions of the Recurrent Related Party Transactions are based on market rates, the availability of the amount/resources to be transacted and negotiated on a *willing-buyer-willing-seller* basis.

Where practical and feasible, quotations and tenders will be obtained from third parties to ascertain appropriate prices. As such, at least 2 other contemporaneous transactions with unrelated third parties for similar products/services and/or quantities will be used as comparisons, wherever possible, to determine whether the price and terms offered to/by the Related Parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of products/services and/or quantities.

Where it is impractical or impossible for quotations and/or tenders to be obtained from unrelated third parties, or where there have not been any similar or substantially similar transactions between the HSP Group and the unrelated third parties, the price and terms of the Recurrent Related Party Transactions for the products/services will be in accordance with applicable industry norms, prevailing commercial rates and at rates not more favourable to the Related Parties than those generally available to the public and are not detrimental to the HSP Group.

The following internal review procedures have been established to ensure that the Recurrent Related Party Transactions are conducted at arm's length, on normal commercial terms which are not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders:

- (i) A list of the Related Parties mandated pursuant to the Proposed Shareholders' Mandate will be circulated within the HSP Group;
- (ii) A register has been created and will be maintained by the HSP Group to capture notifications of all Recurrent Related Party Transactions which are entered into;
- (iii) The shareholding interests of the Related Parties will be monitored continuously. Any changes in the shareholdings of the Related Parties will be duly notified to the respective subsidiary companies;
- (iv) A register will be kept by the Company to keep track of the appointment of Directors within the HSP Group and the Major Shareholders of the HSP Group. Additionally, the register will serve to capture the immediate disclosure required from the Directors of the subsidiaries of the Company on any interests in a corporation/partnership which transacts or is expected to transact with the HSP Group;
- (v) The respective management team of the subsidiaries of the Company are required to update the Company on a quarterly basis on the Recurrent Related Party Transactions which will be reviewed by the management of the HSP Group; and
- (vi) The internal audit plan of HSP Group shall include a critical review of the Recurrent Related Party Transactions entered into pursuant to the Proposed Shareholders' Mandate to ensure that they are transacted on terms and conditions which are not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders in the light of the circumstances concerned. The Board and the Audit Committee shall review the internal audit reports to ascertain that the review procedures established to monitor the Recurrent Related Party Transactions have been complied with.

2.7 *Conditions and the disclosure of the Proposed Shareholders' Mandate*

The Proposed Shareholders' Mandate is subject to annual renewal and shall continue to be in force until:

- (a) the conclusion of the next annual general meeting of the Company, at which time the said mandate shall lapse, unless renewed by a resolution passed at the annual general meeting; or

- (b) the expiration of the period within which the next annual general meeting of the Company is required to be held pursuant to section 340(2) of the Act (but must not extend to such extension as may be allowed pursuant to section 340(4) of the Act); or
- (c) revoked or varied by a resolution passed by the shareholders in a general meeting of the Company,

whichever is the earlier.

The Company will disclose in its annual report the aggregate value of the Recurrent Related Party Transactions conducted pursuant to the Proposed Shareholders' Mandate during the financial year which requires a breakdown, amongst others, based on the following information:

- (a) the type of the Recurrent Related Party Transactions made; and
- (b) the names of the Related Parties involved in each type of the Recurrent Related Party Transactions made and their relationship with the Company.

2.9 *Statement by the Audit Committee*

The Audit Committee of the Company has seen and reviewed the procedures mentioned in section 2.6 above and is satisfied that the procedures are sufficient to ensure that the Recurrent Related Party Transactions are conducted at arm's length, on normal commercial terms which are not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders.

The HSP Group has in place adequate procedures and processes to monitor, track and identify Recurrent Related Party Transactions in a timely and orderly manner, which these procedures and processes are reviewed on a quarterly basis by the Audit Committee.

1. INTRODUCTION

Hap Seng Plantations Holdings Berhad (“HSP” or the “Company”) had at the annual general meeting held on 29 May 2019, obtained a renewal of authorisation from its shareholders to purchase and/or hold its own shares up to a maximum of 10% of the total number of issued shares of the Company through Bursa Malaysia Securities Berhad (“Bursa Securities”). In accordance with the Main Market Listing Requirements of Bursa Securities (“Listing Requirements”), this authorisation shall lapse upon the conclusion of the 13th annual general meeting of the Company to be convened on 1 July 2020 (“AGM”), unless otherwise renewed.

The Company has on 8 May 2020 announced to Bursa Securities of its intention to seek a renewal of the authorisation from its shareholders for the Company to purchase and/or hold its own shares up to a maximum of 10% of the Company’s total number of issued shares (“Proposed Renewal of Share Buy-back Authority”).

This statement is to provide the shareholders with the information on the Proposed Renewal of Share Buy-back Authority, to set out the recommendation from the board of directors of the Company (the “Board”) and to seek shareholders’ approval for the ordinary resolution pertaining to the Proposed Renewal of Share Buy-back Authority to be tabled at the forthcoming AGM to be held on 1 July 2020 at 10am (or the adjournment thereof).

2. DETAILS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY**2.1 The Rationale and Potential Advantage and Disadvantage**

The Board is of the opinion that authorising the Company to undertake the purchase of its own shares is in the best interest of the Company. The share buy-backs, if authorised, may stabilise the supply and demand of the Company’s shares and this may have a favourable impact on the share price of the Company. Upon the shares being purchased, the Company could either cancel or retain the shares (all or part thereof) as treasury shares. In the event that the repurchased shares are retained as treasury shares, it will give the Board an option to sell the treasury shares at a higher price and therefore make an exceptional gain for the Company. Alternatively, the treasury shares may be distributed as share dividends to shareholders or cancelled as and when the directors deem fit. In addition, the directors of the Company may, at their absolute discretion, be authorised to deal with the treasury shares in any other manner as prescribed by the Companies Act 2016 (the “Act”) and the requirements of Bursa Securities and any other relevant authority for the time being.

The proposed purchase of its own shares is not expected to have any potential material disadvantages to the Company and its shareholders, as it will be exercised only after in-depth consideration of the financial resources of the Company and of the resultant impact on its shareholders.

The proposed purchase of its own shares will, however, reduce the financial resources of the Company and may result in the Company having to forego any good investment opportunities that may emerge in the future and reduce income derived from depositing funds in interest-bearing instruments.

Nevertheless, the Board will be mindful of the interests of both the Company and its shareholders in implementing the proposed purchase of its own shares.

SHARE BUY-BACK STATEMENT

2.2 The Maximum Number or Percentage of Own Shares to be Purchased

The proposed purchase of its own shares must be undertaken by the Company's appointed stockbroker(s). The Company must not purchase its own shares and/or hold any of its own shares as treasury shares if this would result in the aggregate of the shares so purchased and/or held to exceed 10% of its total number of issued shares. As at 30 April 2020, the total number of issued shares of the Company (inclusive of 314,800 treasury shares) was 800,000,000 ordinary shares.

The authority from the shareholders for the proposed purchase of its own shares would be effective immediately upon the passing of the ordinary resolution for the Proposed Renewal of Share Buy-back Authority at the AGM and shall continue to be in force until:

- (i) the conclusion of the next annual general meeting of the Company, at which time the said authority shall lapse, unless is renewed by the passing of a resolution at that meeting, either unconditionally or subject to conditions; or
- (ii) the expiration of the period within which the next annual general meeting of the Company is required to be held pursuant to section 340(2) of the Act (but shall not extend to such extension as may be allowed pursuant to section 340(4) of the Act); or
- (iii) revoked or varied by a resolution passed by the shareholders in a general meeting of the Company,

whichever occurs first.

2.3 The Amount of Retained Profits, Source of Funds and Cash Flow Impact

The Listing Requirements stipulate that the proposed purchase of its own shares must be made out of retained profits of the listed company.

The Board therefore proposed to allocate a maximum of up to the retained profits of the Company for the purchase of its own shares subject to compliance with section 127 of the Act and any other prevailing laws, rules, regulations, order, guidelines and requirements issued by the relevant authorities at the time of the purchase. Based on the Company's latest audited financial statements for the financial year ended 31 December 2019, the audited retained profits of the Company was RM219,110,598. The retained profits of the Company in the management account as at 30 April 2020 was RM202,168,453.

The proposed purchase of its own shares will be funded through internally generated funds and/or external borrowings, the proportion of which will depend on the quantum of purchase consideration as well as the availability of internally generated funds and external borrowings, and the repayment capabilities of the Company at the time of purchase. In the event that the proposed purchase of its own shares is to be partly and/or wholly financed by external borrowings, the Board is of the opinion that the Company is capable of repaying such borrowings and that such borrowings is not expected to have any material effect on the cash flow of the Company and its subsidiaries ("HSP Group").

SHARE BUY-BACK STATEMENT

3. FINANCIAL EFFECTS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

Based on the assumption that the proposed purchase of its own shares under the Proposed Renewal of Share Buy-back Authority is carried out in full, the effects of the proposed purchase of its own shares on the share capital, NA, EPS and working capital of the Company are set out below:

3.1 Share Capital

The effect of the proposed purchase of its own shares under the Proposed Renewal of Share Buy-back Authority on the total number of issued shares of the Company assuming the Company purchased and subsequently cancelled up to 80,000,000 ordinary shares representing 10% of the total number of issued shares of the Company as at 30 April 2020 are as follows:

	No. of Ordinary Shares
Total number of issued shares as at 30 April 2020	800,000,000
Less: Number of ordinary shares to be cancelled pursuant to the proposed purchase of its own shares of up to 10% of the total number of issued shares as at 30 April 2020	80,000,000
Upon completion of the cancellation of the 80,000,000 ordinary shares purchased	<u>720,000,000</u>

However, there will have no effect on the total number of issued shares of the Company if the shares so purchased are to be retained as treasury shares.

3.2 NA per share and EPS

The NA per share of the Company and the HSP Group may increase or decrease, depending on the purchase price of the shares to be purchased by the Company. Should the purchase price exceed the existing NA per share, the NA of the remaining shares should decrease accordingly. Conversely, should the purchase price be lower than the existing NA per remaining share, the resultant NA per share should increase accordingly.

Assuming that the shares purchased under the Proposed Renewal of Share Buy-back Authority are cancelled, the Proposed Renewal of Share Buy-back Authority may increase the EPS of the HSP Group. Similarly, on the assumption that the shares purchased are held as treasury shares and subsequently resold, the extent of the effect on earnings of the HSP Group will depend on the actual selling price and number of treasury shares resold. In the event the shares purchased are held as treasury shares, the effective reduction in the total number of issued shares of the Company pursuant to the Proposed Renewal of Share Buy-back Authority would generally, all else being equal, increase the consolidated EPS of the Company.

3.3 Working Capital

The proposed purchase of its own shares is likely to reduce funds available for working capital purposes of the HSP Group, the quantum of which depends on the purchase price of the shares and the actual number of shares purchased.

SHARE BUY-BACK STATEMENT

6. PURCHASES MADE IN THE LAST FINANCIAL YEAR

Assuming that the Proposed Renewal of Share Buy-back Authority is carried out in full and the shares so purchased were all cancelled, the public shareholding of the Company will be 24.36%. The Board is mindful of the requirement that any purchase of its own shares must not result in the Company's public shareholding spread falling below the minimum 25% of the total number of issued shares of the Company (excluding treasury shares).

8. DIRECTORS' RECOMMENDATION

The Board, having considered all aspects of the Proposed Renewal of Share Buy-back Authority and in particular, the rationale thereof as set out in section 2.1 above, is of the opinion that the Proposed Renewal of Share Buy-back Authority is in the best interest of the Company. This Circular/Statement has been seen and approved by the Board and they collectively and individually accept full responsibility for the accuracy of the information given herein and confirm that, after having making all reasonable enquiries and to the best of their knowledge and belief, there are no false or misleading statements or other facts, the omission of which would make any statement herein false or misleading.

2. MATERIAL LITIGATION, CLAIMS OR ARBITRATION

As at LPD, save as disclosed below, the Group is not engaged in any material litigation, claims or arbitration either as plaintiff or defendant and the directors do not have any knowledge of any proceedings, pending or threatened, against the Group or of any facts likely to give rise to any proceedings which might materially affect the position or business of the Group:

- (a) Hap Seng Plantations (River Estates) Sdn Bhd ("RESB"), the wholly-owned subsidiary of the Company, is the registered and beneficial proprietor of all that parcel of land held under CL095310017, District of Kinabatangan, State of Sabah measuring approximately 6,454 acres ("said Land"). On 16 January 2012, a purported sale and purchase agreement in respect of the said Land was entered into between Mr. Heng Chin Hing @ Wong Chin Hing (NRIC No. H0699157/570811-12-5731) ("HCH") as the purported vendor and Excess Interpoint Sdn Bhd ("EISB") as the purported purchaser ("Purported SPA"). HCH alleged that he is the donee of a power of attorney dated 8 February 1977 allegedly created in respect of the said Land ("Alleged PA"). On the basis of the Purported SPA, EISB entered a private caveat on the said Land on 3 April 2012.

On 23 May 2012, RESB commenced a legal suit ("KL RESB Suit") vide a writ of summon at Kuala Lumpur High Court ("KLHC") against EISB ("1st Defendant") and HCH was added as the second defendant ("2nd Defendant") to the KL RESB Suit on 16 June 2012.

On 10 August 2012, upon the 1st Defendant's application, the KL RESB Suit was transferred to the High Court of Sabah and Sarawak at Kota Kinabalu ("KKHC"). On 7 April 2016, the Federal Court held that the KLHC has no jurisdiction to transfer a civil suit filed in the High Court of Malaya to the High Court of Sabah and Sarawak. On the basis of such ruling, the KKHC had on 19 April 2016 struck off the KL RESB Suit with no order as to costs.

On 8 April 2016, RESB commenced a fresh legal suit against the 1st and 2nd Defendants through its solicitors in Sabah, Messrs Jayasuriya Kah & Co. in KKHC vide writ of summon no. BKI-22NCvC-39/4-2016 ("KK RESB Suit").

RESB is claiming for the following in the KK RESB Suit:

- (a) That RESB be declared as the registered and beneficial owner of the said Land;
- (b) That the Purported SPA be declared null and void;
- (c) That the Alleged PA be declared null and void;
- (d) An injunction restraining the 1st Defendant from:-
 - (i) effecting any further dealings including but not limited to disposal, assignment, transfer, mortgage, charge, lease, tenancy over the said Land with any third party;
 - (ii) taking any actions to fulfill the terms and conditions in the Purported SPA; and
 - (iii) taking any further action to complete the Purported SPA.
- (e) An injunction restraining the 2nd Defendant from effecting any steps, actions and/or representations in respect of the Alleged PA;
- (f) Costs of the KK RESB Suit; and
- (g) Such further or other relief as the Court deems fit and just.

Pending disposal of the KK RESB Suit, the KKHC had on 27 July 2016 granted an interlocutory injunction in favour of RESB pursuant to which the 1st and 2nd Defendants have been restrained from effecting dealings as set out in terms (d) and (e) above ("KK Interlocutory Injunction").

APPENDIX I - FURTHER INFORMATION (continued)

On 13 December 2016, the KKHC consolidated the KK RESB Suit and KK Suit upon RESB's application ("Consolidated RESB Suit"). The Consolidated RESB Suit was part heard from 13 to 15 September 2017, 20 to 21 September 2017, 12 and 25 October 2017, 24 November 2017, 26 to 27 February 2018, 25 to 26 April 2018, 11 to 14 June 2018, 12 to 14 September 2018, 29 October to 2 November 2018, 7 to 11 January 2019, 28 February 2019, 8 March 2019, 19 September 2019 and 7 February 2020. Due to the Restriction of Movement Order which took effect on 18 March 2020, the hearing dates of the Consolidated RESB Suit on 26 and 27 March 2020 had been adjourned to further dates to be fixed.

The Company has been advised by Messrs Jayasuriya Kah & Co., that RESB has good grounds to succeed in the KK RESB Suit.

- (b) Chee Ah Nun @ Sia Yi Chan (NRIC No. 550808-12-5663) ("SYC" or the "Plaintiff") has filed a separate legal suit against RESB in respect of the said Land in the KKHC vide originating summon no. BKI-24-127/5-2012, and the same was served on RESB on 11 June 2012 (the "KK Suit").

The KK Suit is premised on a purported deed of appointment of substitute by attorney dated 24 June 2010 ("Alleged Deed of Substitute") allegedly executed by HCH pursuant to which HCH had allegedly divested to SYC all his interests or claims on the said Land pursuant to the Alleged PA.

SYC is claiming for the following in the KK Suit:

- (i) that by virtue of the Alleged PA, RESB had allegedly divested its ownership and all interests or claims to the said Land to HCH;
- (ii) that pursuant to the Alleged Deed of Substitute, SYC is the beneficial owner and has rights to take possession of the said Land;
- (iii) an order that RESB forthwith deliver vacant possession of the said Land to SYC free of encumbrances with all fixtures and crops planted thereon;
- (iv) an injunction restraining RESB, its servants and/or employees or agents from harvesting crops on the said Land or removing anything thereon and/or otherwise from doing anything or interfering with SYC's rights thereon;
- (v) costs of the KK Suit; and
- (vi) such further or other relief as the Court deems fit and just.

On 27 July 2016, the KKHC, upon application of RESB, granted an order converting the KK Suit from an originating summon to a writ action. On 13 December 2016, the KKHC consolidated the KK RESB Suit and KK Suit upon RESB's application ("Consolidated RESB Suit").

The Consolidated RESB Suit was part heard from 13 to 15 September 2017, 20 to 21 September 2017, 12 and 25 October 2017, 24 November 2017, 26 to 27 February 2018, 25 to 26 April 2018, 11 to 14 June 2018, 12 to 14 September 2018, 29 October to 2 November 2018, 7 to 11 January 2019, 28 February 2019, 8 March 2019, 19 September 2019 and 7 February 2020. Due to the Restriction of Movement Order which took effect on 18 March 2020, the hearing dates of the Consolidated RESB Suit on 26 and 27 March 2020 had been adjourned to further dates to be fixed.

The Company has been advised by its solicitors, Messrs Jayasuriya Kah & Co., that the KK Suit is unlikely to succeed.
