#### **2.4 Details of the Related Parties**

Interests of the Related Parties in the Recurrent Related Party Transactions set out in section 2.3 above as at LPD are as follows:

**(a) HSCB Group**

HSCB is a Major Shareholder holding 556,008,000 shares constituting 69.53% shareholding in the Company.

**(b) Gek Poh Group**

Gek Poh is a Major Shareholder of the Company by virtue of its shareholding in HSCB comprising 54.63% direct shareholding and 8.01% indirect shareholding via HSIS.

Tan Sri Lau is deemed a Major Shareholder of the Company by virtue of his 56.00% shareholding in Gek Poh, the holding company of HSCB. He is also a director of Gek Poh.

**(c) Shim Pang**

Datuk Simon Shim Kong Yip is a non-independent non-executive deputy chairman of the Company, he is deemed interested in the Recurrent Transactions by virtue of his interest as a managing partner of Shim Pang.

#### **2.5 Rationale for the Recurrent Related Party Transactions**

The Recurrent Related Party Transactions which are to be entered into by the HSP Group are in the ordinary course of its business. The Recurrent Related Party Transactions are conducted at arm's length, on normal commercial terms which are not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders. It is envisaged that in the ordinary course of the business of HSP Group, the transactions between companies in the HSP Group and the Related Parties are likely to occur with certain degree of frequency and it may be impractical to make the requisite announcement to the Bursa Securities or to seek shareholders' approval on a case-to-case basis before entering into such Recurrent Related Party Transactions.

With the Proposed Shareholders' Mandate in place, the Company would not be required to make the requisite announcement to the Bursa Securities or to convene separate general meetings to seek shareholders' approval as and when the Recurrent Related Party Transactions occur. This would substantially reduce administrative time, inconvenience and expenses associated with the release of such announcements or the convening of such meetings on an ad-hoc basis, and allow manpower resources and time to be channeled towards attaining corporate objectives.

Hence, the Board is seeking approval from the shareholders on the Proposed Shareholders' Mandate for the respective Recurrent Related Party Transactions as described in section 2.3 above.

#### **2.6 Benefits of the Recurrent Related Party Transactions**

Generally, the Recurrent Related Party Transactions provide the HSP Group with an effective network of support to its operational needs which will enhance the overall business efficacy and effectiveness of the HSP Group. The support and close working relationships between the HSP Group and the Related Parties allow the HSP Group to be more competitive in their core businesses. This is largely contributed by the familiarity and experience of the Related Parties in the requirements of the HSP Group's operations as they have been reliable suppliers, customers, business associates and/or advisers for many years.

## **2.7 Methods or procedures for determining prices of Recurrent Related Party Transactions**

Generally, the prices, terms and conditions of the Recurrent Related Party Transactions are based on market rates, the availability of the amount/resources to be transacted and negotiated on a *willing-buyer-willing-seller* basis.

Where practical and feasible, quotations and tenders will be obtained from third parties to ascertain appropriate prices. As such, at least two other contemporaneous transactions with unrelated third parties for similar products/services and/or quantities will be used as comparisons, wherever possible, to determine whether the price and terms offered to/by the Related Parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of products/services and/or quantities.

Where it is impractical or impossible for quotations and/or tenders to be obtained from unrelated third parties, or where there have not been any similar or substantially similar transactions between the HSP Group and the unrelated third parties, the price and terms of the Recurrent Related Party Transactions for the products/services will be in accordance with applicable industry norms, prevailing commercial rates and at rates not more favourable to the Related Parties than those generally available to the public and are not detrimental to the HSP Group.

The following internal review procedures have been established to ensure that the Recurrent Related Party Transactions are conducted at arm's length, on normal commercial terms which are not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders:

- (i) A list of the Related Parties mandated pursuant to the Proposed Shareholders' Mandate will be circulated within the HSP Group;
- (ii) A register has been created and will be maintained by the HSP Group to capture notifications of all Recurrent Related Party Transactions entered into;
- (iii) The shareholding interests of the Related Parties will be monitored continuously. Any changes in the shareholdings of the Related Parties will be duly notified to the respective subsidiary companies;
- (iv) A register will be kept by the Company to keep track of the appointment of Directors within the HSP Group and the Major Shareholders of the HSP Group. Additionally, the register will serve to capture the immediate disclosure required from the Directors of the subsidiaries of the Company on any interests in a corporation/partnership which transacts or is expected to transact with the HSP Group;
- (v) The respective management team of the subsidiaries of the Company is required to update the Company on a quarterly basis on the Recurrent Related Party Transactions which will be reviewed by the management of the HSP Group; and
- (vi) The internal audit plan of HSP Group shall include a critical review of the Recurrent Related Party Transactions entered into pursuant to the Proposed Shareholders' Mandate to ensure that they are transacted on terms and conditions which are not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders in the light of the circumstances concerned. The Board and the Audit Committee shall review the internal audit reports to ascertain that the review procedures established to monitor the Recurrent Related Party Transactions have been complied with.

## 2.8 *Conditions and the disclosure of the Proposed Shareholders' Mandate*

The Proposed Shareholders' Mandate is subject to annual renewal and shall continue to be in force until:

- (a) the conclusion of the next annual general meeting of the Company, at which time the said mandate shall lapse, unless renewed by a resolution passed at the annual general meeting; or
- (b) the expiration of the period within which the next annual general meeting of the Company is required to be held pursuant to section 340(2) of the Act (but must not extend to such extension as may be allowed pursuant to section 340(4) of the Act); or
- (c) revoked or varied by a resolution passed by the shareholders in a general meeting of the Company,

whichever is the earlier.

The Company will disclose in its annual report the aggregate value of the Recurrent Related Party Transactions conducted pursuant to the Proposed Shareholders' Mandate during the financial year which requires a breakdown, amongst others, based on the following information:

- (a) the type of the Recurrent Related Party Transactions made; and
- (b) the names of the Related Parties involved in each type of the Recurrent Related Party Transactions made and their relationship with the Company.

## 2.9 *Thresholds of Authority*

Where any Director has interest, direct or indirect, in any Recurrent Related Party Transactions, such Director shall abstain from deliberation and voting on such transactions.

None of the other personnel mentioned in section 2.9 are Persons Connected to the interested Directors and/or Major Shareholders.

The aforesaid thresholds of authority shall remain in force until otherwise revoked or varied by the Board.

## 2.10 Statement by the Audit Committee

The Audit Committee of the Company has seen and reviewed the procedures mentioned in section 2.7 above and is satisfied that the procedures are sufficient to ensure that the Recurrent Related Party Transactions are conducted at arm's length, on normal commercial terms which are not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders.

The HSP Group has in place adequate procedures and processes to monitor, track and identify Recurrent Related Party Transactions in a timely and orderly manner, which these procedures and processes are reviewed on a quarterly basis by the Audit Committee.

## SHARE BUY-BACK STATEMENT

---

### 1. INTRODUCTION

Hap Seng Plantations Holdings Berhad (“HSP” or the “Company”) had at the annual general meeting held on 27 May 2025, obtained a renewal of authorisation from its shareholders to purchase and/or hold its own shares up to a maximum of 10% of the total number of issued shares of the Company through Bursa Malaysia Securities Berhad (“Bursa Securities”). In accordance with the Main Market Listing Requirements of Bursa Securities (“Listing Requirements”), this authorisation shall lapse upon the conclusion of the 19<sup>th</sup> annual general meeting of the Company to be convened on 25 May 2026 (“AGM”), unless otherwise renewed.

The Company has on 13 April 2026 announced to Bursa Securities of its intention to seek a renewal of the authorisation from its shareholders for the Company to purchase and/or hold its own shares up to a maximum of 10% of the Company’s total number of issued shares (“Proposed Renewal of Share Buy-back Authority”).

This statement is to provide the shareholders with the information on the Proposed Renewal of Share Buy-back Authority, to set out the recommendation from the board of directors of the Company (the “Board”) and to seek shareholders’ approval for the ordinary resolution pertaining to the Proposed Renewal of Share Buy-back Authority to be tabled at the forthcoming AGM to be held on 25 May 2026 at 10am (or the adjournment thereof).

### 2. DETAILS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

#### 2.1 The Rationale and Potential Advantage and Disadvantage

The Board is of the opinion that authorising the Company to undertake the purchase of its own shares is in the best interest of the Company. The share buy-backs, if authorised, may stabilise the supply and demand of the Company’s shares and this may have a favourable impact on the share price of the Company. Upon the shares being purchased, the Company could either cancel or retain the shares (all or part thereof) as treasury shares. In the event that the repurchased shares are retained as treasury shares, it will give the Board an option to sell the treasury shares at a higher price and therefore make an exceptional gain for the Company. Alternatively, the treasury shares may be distributed as share dividends to shareholders or cancelled as and when the directors deem fit. In addition, the directors of the Company may, at their absolute discretion, be authorised to transfer the treasury shares or any of the said shares as purchase consideration or in any other manner as prescribed by section 127(7) of the Companies Act 2016 (the “Act”).

The proposed purchase of its own shares is not expected to have any potential material disadvantages to the Company and its shareholders, as it will be exercised only after in-depth consideration of the financial resources of the Company and of the resultant impact on its shareholders.

The proposed purchase of its own shares will however reduce the financial resources of the Company and may result in the Company having to forego any good investment opportunities that may emerge in the future and reduce income derived from depositing funds in interest-bearing instruments.

Nevertheless, the Board will be mindful of the interests of both the Company and its shareholders in implementing the proposed purchase of its own shares.

## SHARE BUY-BACK STATEMENT

---

### 2.2 The Maximum Number or Percentage of Own Shares to be Purchased

The proposed purchase of its own shares must be undertaken by the Company's appointed stockbroker(s). The Company must not purchase its own shares and/or hold any of its own shares as treasury shares if this would result in the aggregate of the shares so purchased and/or held to exceed 10% of its total number of issued shares. As at 31 March 2026, the total number of issued shares of the Company (inclusive of 314,800 treasury shares) was 800,000,000 ordinary shares.

The authority from the shareholders for the proposed purchase of its own shares would be effective immediately upon the passing of the ordinary resolution for the Proposed Renewal of Share Buy-back Authority at the AGM and shall continue to be in force until:

- (i) the conclusion of the next annual general meeting of the Company, at which time the said authority shall lapse, unless renewed by the passing of a resolution at that meeting, either unconditionally or subject to conditions; or
- (ii) the expiration of the period within which the next annual general meeting of the Company is required to be held pursuant to section 340(2) of the Act (but shall not extend to such extension as may be allowed pursuant to section 340(4) of the Act); or
- (iii) revoked or varied by a resolution passed by the shareholders in a general meeting of the Company,

whichever occurs first.

### 2.3 The Amount of Retained Profits, Source of Funds and Cash Flow Impact

The Listing Requirements stipulate that the proposed purchase of its own shares must be made out of retained profits of the listed company.

The Board therefore proposed to allocate a maximum of up to the retained profits of the Company for the purchase of its own shares subject to compliance with section 127 of the Act and any other prevailing laws, rules, regulations, order, guidelines and requirements issued by the relevant authorities at the time of the purchase. Based on the Company's latest audited financial statements for the financial year ended 31 December 2025, the audited retained profits of the Company was RM279,702,000. The retained profits of the Company in the management account as at 31 March 2026 was RM231,391,000.

The proposed purchase of its own shares will be funded through internally generated funds and/or external borrowings, the proportion of which will depend on the quantum of purchase consideration as well as the availability of internally generated funds and external borrowings, and the repayment capabilities of the Company at the time of purchase. In the event that the proposed purchase of its own shares is to be partly and/or wholly financed by external borrowings, the Board is of the opinion that the Company is capable of repaying such borrowings and that such borrowings are not expected to have any material effect on the cash flow of the Company and its subsidiaries ("HSP Group").

## SHARE BUY-BACK STATEMENT

---

---

### 3. FINANCIAL EFFECTS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

Based on the assumption that the proposed purchase of its own shares under the Proposed Renewal of Share Buy-back Authority is carried out in full, the effects of the proposed purchase of its own shares on the share capital, NA, EPS and working capital of the Company are set out below:

#### 3.1 Share Capital

The effect of the proposed purchase of its own shares under the Proposed Renewal of Share Buy-back Authority on the total number of issued shares of the Company assuming the Company purchased and subsequently cancelled up to 80,000,000 ordinary shares representing 10% of the total number of issued shares of the Company as at 31 March 2026 is as follows:

	No. of Ordinary Shares
Total number of issued shares as at 31 March 2026	800,000,000
Less: Number of ordinary shares to be cancelled pursuant to the proposed purchase of its own shares of up to 10% of the total number of issued shares as at 31 March 2026	80,000,000
Upon completion of the cancellation of the 80,000,000 ordinary shares purchased	<u>720,000,000</u>

However, there will be no effect on the total number of issued shares of the Company if the shares so purchased are to be retained as treasury shares.

#### 3.2 NA per share and EPS

The NA per share of the Company and the HSP Group may increase or decrease, depending on the purchase price of the shares to be purchased by the Company. Should the purchase price exceed the existing NA per share, the NA of the remaining shares should decrease accordingly. Conversely, should the purchase price be lower than the existing NA per remaining share, the resultant NA per share should increase accordingly.

Assuming that the shares purchased under the Proposed Renewal of Share Buy-back Authority are cancelled, the Proposed Renewal of Share Buy-back Authority may increase the EPS of the HSP Group. Similarly, on the assumption that the shares purchased are held as treasury shares and subsequently resold, the extent of the effect on earnings of the HSP Group will depend on the actual selling price and number of treasury shares resold. In the event the shares purchased are held as treasury shares, the effective reduction in the total number of issued shares of the Company pursuant to the Proposed Renewal of Share Buy-back Authority would generally, all else being equal, increase the consolidated EPS of the Company.

#### 3.3 Working Capital

The proposed purchase of its own shares is likely to reduce funds available for working capital purposes of the HSP Group, the quantum of which depends on the purchase price of the shares and the actual number of shares purchased.

#### 5. THE CONSEQUENCES WITH REGARD TO THE CODE

Based on the shareholding of the substantial shareholders as at 31 March 2026, if the Proposed Renewal of Share Buy-back Authority is carried out in full, the proposed purchase of its own shares will have no implication to any of the directors, substantial shareholders and/or persons acting in concert with him/them under the Code.

#### 6. PURCHASES MADE IN THE LAST FINANCIAL YEAR

During the financial year, the Company did not purchase any of its own shares. As at 31 December 2025, the Company held a total of 314,800 treasury shares. None of the treasury shares have been resold, cancelled and/or distributed during the preceding 12 months.

#### 7. PUBLIC SHAREHOLDING SPREAD OF THE COMPANY

As at 31 March 2026, the public shareholding spread of the Company was approximately 30.42%. Assuming that the Proposed Renewal of Share Buy-back Authority is carried out in full and the shares so purchased were all cancelled, the public shareholding of the Company will be 22.72%. The Board is mindful of the requirement that any purchase of its own shares must not result in the Company's public shareholding spread falling below the minimum 25% of the total number of issued shares of the Company (excluding treasury shares).

- (a) Hap Seng Plantations (River Estates) Sdn Bhd ("RESB"), a wholly-owned subsidiary of the Company, is the registered and beneficial proprietor of approximately 6,454 acres of land in the District of Kinabatangan, Sabah, designated as CL095310017 (the "Land").

On 16 January 2012, Mr. Heng Chin Hing @ Wong Chin Hing (NRIC No. H0699157/570811-12-5731) ("HCH"), claiming to act under a power of attorney dated 8 February 1977 ("Alleged PA"), purportedly sold the Land to Excess Interpoint Sdn Bhd ("EISB") through a sale and purchase agreement ("Purported SPA").

HCH was charged in the Kota Kinabalu Sessions Court on four counts of cheating and forgery in respect of the Alleged PA. The criminal proceedings against HCH began on 27 October 2014. On 16 May 2016, the Kota Kinabalu Sessions Court found HCH guilty of cheating and forgery under sections 420 and 471 of the Penal Code with which HCH was sentenced to 12 months of jail term and fined RM40,000. HCH appealed to the High Court, Kota Kinabalu ("KKHC") against the said conviction and its concomitant sentence and fine.

On 1 March 2018, in affirming the said conviction, the KKHC extended the jail term of 12 months to five years. HCH appealed to the Court of Appeal against the KKHC decision, which appeal was dismissed on 23 May 2022.

On 8 April 2016, RESB commenced a legal suit in the KKHC against both HCH and EISB through its solicitors in Sabah, Messrs Jayasuriya Kah & Co. vide writ of summon no. BKI-22NCvC-39/4-2016 ("KK RESB Suit"), seeking the following:

- (i) A declaration that RESB is the rightful owner of the Land;
- (ii) Nullification of the Purported SPA and the Alleged PA;
- (iii) An injunction to prevent EISB from conducting further transactions or completing the Purported SPA;
- (iv) An injunction against HCH regarding any actions related to the Alleged PA; and
- (v) Legal costs and any other relief deemed appropriate by the Court.

On 24 April 2024, the KKHC ruled in favour of RESB, affirming its ownership and invalidating the Purported SPA and Alleged PA. The KKHC awarded RESB costs of RM40,000, payable by both HCH and EISB. The ruling has confirmed RESB's legal and beneficial ownership over the Land.

On 24 May 2024, EISB and HCH, represented by Messrs Ronny Cham & Co, filed and served a notice of appeal to the Court of Appeal against the whole of the decision by the KKHC in respect of the KK RESB Suit delivered on 24 April 2024. A case management has been fixed on 27 July 2026 for the Court of Appeal to give directions on the appeal.

On 23 February 2026, RESB received the KKHC's grounds of decision through its solicitors, Messrs Jayasuriya Kah & Co, wherein the KKHC set out the main grounds confirming RESB's legal and beneficial ownership over the Land.
